How does either 11am or Noon Hawaii time work for you on Thursday?

Thanks

Steve

Steve,

Let me know when you have time to discuss, probably Thursday or Friday will be best for you.

Thursday 11am -12pm, I have an opening or before 8am. After 2pm is also available but kind of late for you.  
Friday will they be having some follow-on meeting with Susan and Dayna?

Prepping for the contested case and working on trying to complete the compliance report is sucking up all my free time.

FYSU, Hotel Pier seems to have an active release. HEER office has a follow up meeting with Navy on Thursday, no agenda, but probably update on pipeline tightness results from early January testing, possible follow up on chemical analysis to determine if product is fresh or aged. I will be attending to keep tabs. I think Coast Guard is involved now.

Let me know if you have this week to talk.

Cheers,  
Hugh
